

ALLEVIATE UNCERTAINTY

PRE-OWNED PROTECTION PLAN

Today's harsh driving environments can cause additional vehicle wear and tear which can lead to costly repairs. Wouldn't it be great if you could provide used car buyers with the confidence and some peace of mind with their purchase?

The MOC Pre-owned Protection program can help alleviate this uncertainty when buying a used car. Our pre-owned protection program offers customers up to \$2,500 of coverage for 6 months or 6,000 miles (10,000 KM) for vehicle with up to 120,000 miles. When used in conjunction with our Limited Lifetime Warranty Program dealers can create customers for life.

ELIGIBILITY & COVERAGE:

Privately-owned vehicles used exclusively for personal use that have odometer readings of 120,000 miles or less and are no more than 10 years old (from January 1st of the vehicle's model year).

120 days or 6000 miles from effective date, whichever occurs first. Kit installation, Vehicle is sold, and both 3 days and 150 miles have lapsed from the date of the sale.
