

# FALLOUT GEL

AUTOMOTIVE ACID CLEANER - #4172

## OUTSTANDING FEATURES

- Effectively removes industrial fallout.
- Safely removes calcium, magnesium and iron (from hard water).

## DESCRIPTION

A ready-to-use, thick, clinging solution designed to remove surface fallout, rust, water-spots and other debris. This product stays where you put it. Fallout Gel cannot wander and collect in an unwanted area.

## APPLICATION

**SHAKE WELL BEFORE USING.** Surface must be cool and out of direct sunlight. Avoid contact with plastics, rubber, and chrome-plated parts. Always wear rubber gloves when handling this product to avoid skin absorption.

**1)** Apply liberal coating to small sections of affected area. Light rubbing may help break fallout loose. **2)** Allow product to remain on surface for 10 to 15 minutes. **3)** Wash area with auto shampoo and water. Make sure FALLOUT GEL™ is removed completely. **4)** Rinse surface with clean water.

## SPECIFICATIONS
