

ULTRA CAR SHAMPOO CONCENTRATE

AUTOMOTIVE SHAMPOO - #6726

PERFORMANCE RATINGS:

- Foaming - 9 Concentration - 10

OUTSTANDING FEATURES

- Extra-mild to skin.
- Biodegradable.
- Extremely high foam.
- Non-streaking.

DESCRIPTION

A super-concentrated liquid shampoo for cleaning dirt and grime from all exterior vehicle surfaces. A high-foaming formula that rinses easily without streaks.

APPLICATION

MIXING INSTRUCTIONS: standard concentration: transfer the entire contents of this 5-gallon container to a clean and empty 55-gallon plastic drum. Fill drum with filtered water until full. Stir contents for 5 minutes until mixture is uniform. Apply secondary label #71279 to the drum for identification purposes. **PREMIUM CONCENTRATION:** two 5-gallon containers #67265 may be added to the empty 55-gallon drum before dilution with water.
