75 WIPES
Size: 7.25 in. x 7.5 in.

ONE VISION® CLEANING WIPES are a convenient way to clean hard surfaces in your household, workplace and vehicles. Each pre-moistened, disposable wipe is designed to clean soiled surfaces with no mess or the need for dilution, sponges or towels.

DIRECTIONS FOR USE: Do not use on dishes, glasses, utensils or food-contact surfaces. Do not use as a diaper wipe or for personal cleaning. Not recommended for unpainted wood, natural marble or brass. For surfaces that may come in contact with food, a potable water rinse is required. Test a small area for compatibility first.

1. Wipe surface until clean. Repeat for stubborn stains or contaminants. Use enough wipes to thoroughly wet surface.
2. Allow surface to remain wet for 4 minutes. Let surface air dry. For highly soiled surfaces, clean excess dirt first.
3. Always snap lid securely shut between uses to prevent moisture loss. Dispose of used wipe in trash. Do not flush.
